

Donations were collected through October 28 at MoDOT maintenance facilities in Cass, Clay, Henry, Jackson, Johnson, Lafayette, Platte and Ray counties and at the Missouri State Highway Patrol Troop A Headquarters and MoDOT District 4 Headquarters in Lee's Summit, Mo.

Kansas City-area state employees from the departments of Transportation, Natural Resources, Conservation and the Missouri State Highway Patrol continue to raise money and collect donations to aid those impacted by Hurricane Katrina.

Combined with a Sept. 21 chili cook-off luncheon and cash donations, state employees have raised \$4,585 to date.

A group of four men are standing in front of a curved brick wall. On the left, a man in a light green button-down shirt and blue jeans stands with his hands at his sides. Next to him is a man wearing a red t-shirt, a red baseball cap, and blue jeans; he is holding a small white card. In the center, a man in a white long-sleeved shirt and dark trousers is presenting a framed certificate to the man in the red shirt. On the far right, a police officer in a blue uniform, including a hat and a duty belt, stands observing the ceremony. The floor is made of light-colored tiles, and a staircase is visible in the background on the right.

Liaison Engineer Coordinator Mike Thomas, Roarke Holzschuh (Missouri Department of Natural Resources) and Missouri State Highway Patrolman Sergeant Green (l-r) present a \$600 MoHELPS campaign check for fuel and a certificate of appreciation to Dave Walker of Walker Tire-Truck & Tow Service.
